

=====
Challenge Title: Where are we?

Level : Hard

Description : You are assigned to the Central Surveillance Unit (CSU) tracking two high-value targets, 'The Falcon' and 'The Serpent'. We successfully intercepted their latest comms, confirming a critical meetup. Your analysis team has provided only the raw transcript below.

Your mission: Deduce the location where they are planning to meet.

(Flag Format : **DJSISACA{place_name}**)

=====
Place is Pinto Sando, Orlem, Malad (West), Mumbai, Maharashtra, India
