

=====

Challenge Title: The_Headline

Level : Easy

Description : You found this photo hidden deep within a box of my friend's old things. When I asked about it, he clamped up, his face draining of color. All that remains is the unsettling inscription: 'Something bad happened here.' What secret is this image hiding, and why is my friend so afraid of it?

Your mission: Find the date the tragedy struck the location. (Flag Format : DJSISACA{DD_MM_YYYY})

=====

1. Geolocation Osint : Phase 1

- On analysing the sign, the country can be narrowed down to **Chile**.
- The background looks something like a dessert, a place where mines are usually present.

2. News Headline : Phase

- On searching for mines and Chile related news, there is a prominent one that comes up : **2010 Copiapó mining accident**.
- It took place on **5th August 2010**.
